Post-Mortem on NIE 71.3-57:

The Outlook for Tunisia,

dated 18 June 1957

Information provided by the field proved more than adequate for the preparation of this estimate. However, future studies probably will require more substantial coverage on such subjects as public opinion and economic conditions outside Tunis, activities of labor union officials in urban and rural locales, efforts to enlarge and improve the effectiveness of the Tunisian army, the activities and influence of Algerian nationalists in Tunisia, and organizational and administrative changes within the Tunisian Government.
